

ORIGIN AT A GLANCE

What does Origin do?

We solve business problems in revenue management and billing.

Who does Origin consult with?

We consult with Utilities, Energy Retailers, Taxing Authorities, and Financial Institutions.

What does Origin produce?

We produce integrated solutions involving business process, people, software, and technology.

What is Origin's niche?

Our niche is Oracle software products for Utilities (CC&B, NMS, PSERM), for Taxing Authorities (ETM), for Financial Institutions (RMB). We provide expert services around these products.

WHAT ARE OUR CLIENTS SAYING?

“Origin has proven that they understand my company’s business challenges and solves them ... They continue to be a good fit for OUC.”

Orlando Utilities Commission
Dan Holverson / Director, Application Systems

“As a small firm, Origin has proven its strength and viability. Their team operates with ease.”

Capgemini
Paul Naquin / Vice-President, Production Applications

“We are impressed with Origin’s expertise and support. They have been a strong partner with SMECO and we are glad we engaged them.”

Southern Maryland Electric Cooperative
Sylvia Welch / IT Applications Manager
